

## ROMIOSYNI DANCE GROUP COVID-19 PLAN 2020/2021

**DO NOT** leave home if you are feeling ill or showing signs of COVID-19 symptoms (Fever, Cough, Shortness of Breath, Sore Throat, Runny Nose, Tiredness, or Headache).

Masks are mandatory upon entry into the Community Hall and when physical distancing is not available (water/washroom breaks or not dancing on the dance floor).

The only time dancers are **NOT** required to wear a mask is while dancing.

Application of hand sanitizer is mandatory upon entry and when returning from the washroom. Dancers are more than welcome to bring their own if they prefer.

Bringing a reusable water bottle is mandatory. No one will be allowed to use cups from the kitchen.

Practice will be held outside when possible.

Dancers must **ENTER** through the main hall doors and **EXIT** through the downstairs doors. Parents will not be allowed in.

RDG dancers will only be allowed to use the regular men and women's washroom (not allowed to use family washroom).

Dancers will **NOT** be allowed to sit near blocked off tables and chairs used by Greek School.

### **Plan A:** 100% capacity

- Face masks are not required while practicing on dance floor.
- Dancers will be distanced and not join hands in the circle.
- If partner dances are taught, dancers will be assigned the same partner for the year.

**Plan B:** Depending on provincial government requirements, RDG will organize a division into rotational groups for face-to-face learning.

- The groups will remain the same throughout this plan.
- Groups who are not scheduled for face-to-face instruction that week are required to learn online.

**Plan C:** If face-to-face gatherings are not permitted, members of RDG will access the RDG Learning Portal and learn through synchronous (live) sessions with their instructor and asynchronous (self-paced) activities.
